

# 13TH ANNUAL AMERICAN HEART ASSOCIATION Southern New Jersey Go Red For Women® Luncheon

*Let's Unite*

To Prevent Heart Disease and Stroke

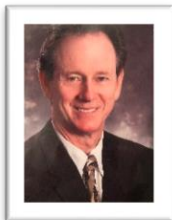

American Heart Association®

For more than a decade, **Go Red** For Women has empowered women to proudly wear red, shared our stories of survival and elevated awareness that heart disease and stroke cause 1 in 3 deaths among women each year— more than all cancers combined. Together, we are stronger and unstoppable.

On Friday, April 26, 2019, the Southern New Jersey **Go Red** For Women Luncheon will provide you with important life-saving information about heart disease and stroke, and the steps you can take to reduce your risk factors. Join the conversation on living a healthier life, free of cardiovascular diseases and stroke.

- ♥ Friday, April 26, 2019
