Circle of Red™

TRANSFORMING THE STATE OF WOMEN'S HEALTH

Through Go Red for Women, the American Heart Association created the definitive movement dedicated to women's health. United by purpose and connected by passion, the **Circle of Red** is an empowered and impact driven group motivated to transform the state of women's health.

MEMBER EXPERIENCE

Participate in unique experiences where our guests, donors, survivors, volunteers, sponsors, advocates and researchers have meaningful opportunities to help us **save women's lives.**

YOUR IMPACT

Investing in Go Red For Women will ensure we remain **relentless** to drive awareness that heart disease is the No.1 health threat to women, help women take charge of their health, close the gender gaps in research, and to address inequities in access and quality of care.

Our Commitment to You:

As a Circle of Red Member, you will be provided with exclusive invitations to digital experiences focused on education, awareness and research. There will also be opportunities for meaningful interactions with survivors, fellow members and community leaders both locally and nationally all year long.

Recognizing & Celebrating Your Investment:
